We had a very successful day at the combined Macleay Schools Carnival and every member of our team should be very proud of their efforts in this event. The full details are included later in the Grapevine. Our outstanding achievements include:

11 Years Girls Champion - Shae-ala Marchment
Junior Girls Champion - Laura Buls

New Macleay Records:
13yr Girls 50m Freestyle – Emma Ross
Junior Girls50m Breaststroke – Laura Buls
Junior Girls 50m Butterfly – Laura Buls
Junior Boys 50m Breaststroke – Cooper Petterson
Senior Boys 50m Butterfly – Lachlan Munday
Senior Girls Relay – Crescent Head PS

Congratulations and good luck for the Lower North Coast Carnival this coming Wednesday!
MACLEAY SWIMMING CARNIVAL

Congratulations again to all our CHPS team of 30 students who competed at the Macleay Zone Swimming Carnival at Kempsey last Wednesday. Many comments have been received about their sportsmanship and enthusiasm on the day. Thank you to Mr Lobb for being a great team manager and to Mrs Hudson who handed out more than 200 ribbons. As a school we achieved some amazing results.

We ended up with:
- 26 personal best times;
- 2 first place relays – Junior Boys and Senior Girls;
- 2 second place relays – Junior Girls and Senior Boys;
- 6 broken records; and
- 2 overall champions

Thank you to all the parents who came along and took the opportunity to meet their students' teachers at our Parent and Teacher Meet and Greet evening. There was a wonderful turn out and the teachers and staff appreciate the response from parents to become involved and informed about their child's school and teachers.

Stage 3 Camp to Delicate Nobby

POSTPONED

Due to the continuing inclement weather we have decided to postpone the Stage 3 Delicate Nobby Camp.

At this stage we are hoping to move the camp to Week 8 on Monday 16th March to Wednesday 18th March. These dates are yet to be confirmed.

We are truly disappointed and apologise for any inconvenience this postponement may cause.

This annual camp is a wonderful experience for all students with physical challenges and the chance to interact with other students and teachers in a different setting. All the information regarding this camp has been provided to students. Please ensure all medical notes are returned and that bikes are in a safe and road-worthy state beforehand.

Please note; if these dates prove suitable we will move Harmony Day to the following week.

*SURFING STARTS NEXT WEEK*

Surfing starts in Week 6 on Thursday 5 March for those students in Years 5 and 6 who have nominated and paid to participate in this fantastic program.

CHPS has 19 students who have made it to the LNC Carnival at Kempsey this Wednesday, 25th February. These students are:

CRICKET TRIALS
The LNC cricket trials due to be held last week have been postponed. Lachlan Munday will now attend the trials tomorrow at the Kempsey Indoor Sports Centre from 9:30 - 11:30am.
Emma Ross was supposed to be at the NC cricket trials at Sawtell today but they have also been postponed until next Monday.
Good luck – we hope the sun shines for you soon!

CRESCENT HEAD NETBALL
It has been great to see so many girls signing up at the Crescent Head Netball Club registration afternoons. Mrs Munday has some spare rego forms if anyone has missed out. There is a Fun Day coming up at the Crescent Head Netball courts on Saturday 28th February. More details will come later.

Footprints Farm Visit
On Friday our students had a visit from Mark Shephard from Footprints Farm at Eungai. Mark is responsible for a program of distributing resources, uniforms and educational equipment to students in Papua and New Guinea and has a long association with our School in this program. Our students watched a DVD of students in a very remote village on Normandy Island being given school uniforms from Crescent Head Public School. The students were delighted with our old uniforms and wore them with pride to their very basic classroom where they sat on the ground. Mark is just finalising the shipment of another container load of goods to these islands and would appreciate any donations of the following type of items:
- Balls – tennis balls, netballs, soccer balls etc.
- Bats and racquets
- Exercise books, rulers, pencils and any craft supplies.
If any families have any extra items at home that they would like to donate, you are most welcome to drop them off at our school and we will ensure that they are delivered to Mark.

P & C News
A reminder that the AGM of the P & C will be held on Wednesday 11 March @6pm.

Fund-Raising Plans for 2015
- Movie Nights for students Term 2 and 4
- Quilt Show - May 2nd and 3rd
- Crescent Head Seashore Markets - see dates on Grapevine
- Easter Hamper Raffle to be drawn on the last day of Term 1 at the Easter Hat Parade
- Mother’s Day Stall in May Term 2

Morning Drop Off and Afternoon Pick Up
All parents are reminded that the front Car Park is not the area for students to be dropped off or collected as it is the gazetted Staff Car Park and under Work Health and Safety regulations it is not a suitable area for students to entering the School. If parents are driving their students to school, they need to enter the School from the back entrance near the rotunda.
Students should not arrive at School before 8.30am when morning playground supervision commences. Only students who have applied to attend the early Morning Supervision are to arrive at School between 8 and 8.30am and can be dropped off in the front area. Thank you for your cooperation!

Computers For Sale

Our school ICT Team is planning a major up-grade to our technology centre and this will require replacing all of the Apple Mac computers with PC computers that will complement the new DEC ET4L computer system that our school is now based on.

This is a major initiative and the P & C has significantly pledged to support this plan by committing considerable funds to this up-grade.

The Apple Mac computers need to be replaced by both PC desk top computers and laptops to create an interactive learning centre based around the new interactive TV Whiteboard. The existing Apple Mac computers will be available for sale at the following prices and parents are welcome to purchase these computers by contacting the school office on 65 660 255. The computers will be cleared of all DEC programs and will be ready for use.

Prices
2006 Models $50
2007 Models $100
2008 Models $150

**Please note – at this stage these will not be available for a few weeks as we complete the process clearing all the existing data and resetting them ready for use**

Swim and Survive for Stage 2

A reminder that all students in Years 3 and 4 will continue with the Swim and Survive Program for sport for the next 5 weeks. All students will learn the important techniques of developing the skills to survive in the water with a focus on survival techniques and safety in the water.

This program is relevant to all students of this age despite their skills and expertise in the water.

Reminder - Please ensure that all students in Year 3 and 4 come prepared for this program each Friday with swimmers, towel and $3 pool entry (if not a season ticket holder). We cannot continue to ring and remind a large group of parents each Friday as it is very time consuming.

Health Conditions and Allergies

Parents are reminded that any child who has a health plan, such as Anaphylaxis or Asthma, must have the plan updated by the child's doctor and a copy provided to the school.

Our School Canteen has a new committee for 2015:
Convenor – Bettina Buls
President – Kaylene Barnes
Secretary – Angie Myers
Assistant Secretary – Donna Rhodes
Treasurer – Kaylene Barnes
Assistant Treasurer – Bettina Buls

Congratulations to all of the above who have taken on these positions on our canteen committee for 2015.

**MEET & GREET** morning tea for Canteen workers – Wednesday 11th March

All volunteers are invited to come along to discuss current policies and procedures that are requirements under the Work Health & Safety regulations. This will ensure that all are aware of current practices and will enable the volunteers to meet and share ideas. Some demonstrations of food preparation will be provided.

**SPECIAL DAYS**
Tuesday 10th March - HOT DOG DAY.
Harmony Day and International Food Festival.

**More details closer to the date.**

**PLEASE REMEMBER:**
The canteen is not able to re-heat food for students brought from home as they do not have the time and are not responsible for the safety issue of food that is too hot for students to eat.

It should also be noted that the school or canteen cannot provide refrigeration for individual students’ lunches.

There are many types of lunch boxes that now have provision for ice packs to keep lunches cool. It is important in these hot months that the food provided is not the type that can be harmed by high temperatures.

Thank you for your cooperation.
